# WELCOME FROM THE RECTOR

The Saints Sports Festival is a highly anticipated premier event on our calendar. On behalf of our St Stithians family of eight schools, it is my pleasure and privilege to welcome you to the 2022 Saints Sports Festival. For our many guests and participating schools, and for us as your hosts, this is more than a Sports Festival; it is a celebration of life as we once more fill our playing fields with cheers and laughter.

The Festival is always an opportunity for past parents and previous staff members to meet and reminisce. We are delighted that our many alumni have the opportunity not only to attend the Festival but to participate in the Alumni Games. We were heartened by the response to this addition to our programme as past pupils step back onto the fields where they first honed their skills.

Our theme for this year is: 'Inspired by Purpose and Driven by Passion'. These words capture the essence of the sporting heart. I have no doubt that there will be many moments of inspiration over the Festival, and I know that everyone competing brings their own purpose and passion. Let the drive for the athletes be to participate at the highest level possible while keeping in mind that it is about more than the game: 'Sports teaches you character; it teaches you to play by rules; it teaches you to know what it feels like to win and to lose – it teaches you about life.' Billie Jean King

The Sports Festival is spread over two weeks, with the Prep Festival taking place from the 7th – 9th April and the College Festival running on the 13th, 14th and 16th of April and culminating with the Alumni Games on the 18th. This promises to be a bumper Festival with something for everyone. It is the oldest schools' sports Festival of its kind in South Africa. From an idea initiated in 1984 at the Boys' College, the Festival has grown to include not only more sports but all the schools on the campus.

We have 86 teams in the College Festival and 96 teams in the Prep Festival. The Prep

schools are playing Rugby, Squash, Tennis and Netball. The Junior Prep children are part of the fun with a Run on Saturday, April 9th. The Colleges are playing Football, Hockey, Netball, Rugby, Squash and Tennis with a Fun Run for all participants on Monday 18th April. We are particularly delighted with the growth of football and are very pleased that this year our Girls' College has Football fixtures and our Thandulwazi Maths and Science Academy has entered a team in the Boys' College football fixtures.

For our sports stars and spectators alike, there will be plenty to do when not playing or watching a game. We regard this as a wonderful occasion to engage with our community and there will be ample opportunity to meet old friends and new at the hospitality tents. Various vendors will cater to refreshment needs. There will be a safe and controlled play area for little ones.

As a Methodist school, we are mindful that the Sports Festival takes place over the Holy Easter weekend. As Christians mark the crucifixion of Christ and His resurrection, we welcome members of any denomination to worship with us. Services will be held on Good Friday in the Chapel (07h45 - 08h15) and Sunday the Easter Sunrise Service will take place on the field alongside Higher ground (06h00 - 07h00) with a children's ministry offered in the Conference Centre alongside the field.

An undertaking of this magnitude is months in the planning. Our behind the scenes teams work tirelessly to make the Festival the legendary event that it has become. I express my profound thanks to our staff from so many different campus departments. I am grateful to parent organisers and the many who have volunteered their help. Our sponsors make this Festival possible, I thank all of them, and in particular, our major sponsor, Standard Bank. Each of these, along with our suppliers and service providers, have played their part in fitting all the pieces together into a seamless whole for all of us to enjoy.

**It is my hope that you will leave our Festival filled with stories of inspiration, with renewed purpose in your own game of life and elevated by the passion that has driven this Festival both on and off the fields.**

It is my honour and privilege to welcome you to our 2022 Saints SportsFest. It is indeed my great pleasure that this much awaited SportsFest is finally taking place. We missed hosting you in 2020 and 2021 due to the unexpected Covid-19 and its impact on our society.

Now that the dust is settling and the games can now proceed, we are excited to welcome you to our beautiful campus and hope that everyone is equally excited and ready to enjoy the razzmatazz and the camaraderie associated

with the festival. As our former president, Nelson Mandela once said ...." Sport has the power to change the world. It has the power to inspire. It has the power to unite in a way that little else does. It speaks to youth in a language they can understand.". Based on this and other challenges facing our society, today it is my wish as the Chairperson of the Saints SportsFest that we will use this opportunity to lift the mood in the country and really enjoy ourselves and support the spirit of the festival.

Saints Sports Festival

Standard Bank is proud to once again partner with St Stithians College to host the 39th annual Saints Sports Festival. As a major sponsor to the event, Standard Bank looks forward to participating in one of the most anticipated school sporting events on South Africa's sporting calendar.

The Saints Sports Festival hosts more than 1200 young sportswomen and sportsmen from across the country. Standard Bank's involvement has been instrumental in enabling the Festival to become an iconic sporting event on the school calendar today.

Lindy-Lou Alexander, Standard Bank's Brand & Marketing Head for Consumer and High Net Worth Clients says: "As a primary sponsor for many years, Standard Bank has witnessed the growth of the Festival, which has been running over the Easter weekend each year. We are extremely proud to be associated with a festival that brings Sportswomen and Sportsmen together to celebrate talent, sportsmanship and the virtues and values learnt through fair competition. This Festival has become so popular that nearly 50 000 spectators flock

to the event held over 4 days. At Standard Bank, we are dedicated to developing ongoing partnerships with people. We help them to prepare for life's milestones to ensure they realise their dreams. These partnerships become important to young customers as they progress from the supportive school environment to tertiary education level where they need greater personal independence and commitment to their studies to succeed".

We wish all spectators, parents, families, teachers and most importantly, spirited young athletes well as they enjoy four days of competition and achieve their dreams. Because with Standard Bank, IT CAN BE!

## Totem, South Africa's leading school bag brand, will be launching the **Bag It Forward** Campaign at this years' Festival.

Many in our community are lucky enough to be able to buy a new school bag each year. Many others are not as fortunate. In this spirit, **we are asking you to bring your spare school bags (any brand) and donate them at the Totem stand.**

To thank you, you will receive a **discount on your next Totem bag** and will be entered into a competition to win a **travel voucher to the value of R50,000!**

Totem will clean and repair the bags before donating them to the Saturday School Learners from the Thandulwazi Maths and Science Academy; a nation-building educational upliftment programme which supports historically disadvantaged Learners, Teachers, ECD Practitioners and Student Teachers. Their vision is a South Africa where every child has access to quality learning and teaching, particularly in gateway subjects - Mathematics, the Sciences, Accounting and Languages.

ST STITHIANS COLLEGE  
**SAINTS SPORTSFEST 2022**

# WELCOME

**W**elcome One and All to our Prep Easter Festival hosted by the St Stithians Girls' and Boys' Preparatory Schools.

The festival is a key event and highlight on our sporting calendar, and is the culmination of the many sporting efforts and achievements by our girls and boys. This year we are fortunate to again be able to host the many sportsmen and sportswomen from not only St Stithians, but with pleasure from the other schools participating in the festival. It's key to note that the sporting codes will again cover netball, rugby, tennis and squash.

At the heart of the St Stithians Prep Festival, remains the spirit of great and true sportsmanship, and most importantly the love of the game!

Besides the wide ranging sports activities and events on the day, the festival this year will also offer food and drink refreshments for families and visitors. Parents will again be able to relax in our cocktail bar or at the OSA Zone.

Despite the impact of Covid over the past two years, this year's festival is a welcome return and

will again strive to achieve its aim and objectives through the love and appreciation of sport. This would not have been possible without the St Stithians Girls' and Boys' Prep staff and parent bodies who have joined forces and who have been have been formidable drivers in planning and running the event. I would also like to thank the numerous sponsors who have made a significant contribution to our festival, and to whom we are extremely grateful. The power of the St Stithians motto "One and All" has been very evident in the teamwork and collaboration amongst the organising committee.

**Wishing you  
a successful  
and enjoyable  
festival – both  
on the field and  
off!**
