

CELEBRATE THE ADVENT OF SPRING ON HERITAGE DAY WITH ST STITHIANS!

Spring is definitely here, and what better way to celebrate it than spend a fun-filled afternoon watching world-class music performances – featuring Watershed - in beautiful surrounds?

Skyline@Saints takes place on September 24th at St Stithians College on the Wayne Joubert Field, where you will have an uninterrupted view of the sun setting over the Sandton Skyline.

Bring your blankets and comfy cushions, but leave the chairs and umbrellas at home. A variety of foods and beverages will be available from various vendors including frozen yoghurt, burgers, boerewors rolls, cake, candies and other delicious treats.

In addition tables may be booked for a meal at the Higher Ground Restaurant by contacting Jessie or Virginia 011 024 3433/087 098 0601. Cost per person is R330 which includes parking at Higher Ground and a buffet meal plus your ticket for the concert.

A hospitality area will be available for adults at the Higher Ground Bar – unfortunately no glass will be permitted on the field.

The gates open at 13.00, and you will be spoilt for entertainment right until the highlight of the day – a performance by the talented South African sensation - Watershed.

The children haven't been overlooked, and there will be plenty for them to do!

So join us on the 24th and relax.

Costs: Adults R120 / Children R80 / Children under 3 free.
