MATHS AND SCIENCE ACADEMY

REGISTRATION DETAILS 2019

Date: Saturday, 16 February 2019

Time: 08:00

Venue: Boy's College Mears Hall

The Thandulwazi Teacher Development Programme provides professional development for teachers or practitioners working in a school environment.

Registration will first be open for returning teachers (i.e. those who were registered in 2018), and then new applicants will be considered. Thandulwazi offers an inclusive programme: teachers are NOT chosen based on the school in which they work.

All teachers are required to bring copies of the following documents to register for the Thandulwazi Teacher Development Programme on 16 February:

- A signed letter from the school principal stating the teacher's role in the school. This letter must be on the school letterhead, containing the school logo, address and school stamp; as well as the principal's contact details.
- Copy of the teacher's ID/Passport.
- Copy of the teacher's Matric certificate or highest qualification (if applicable)
- Proof of qualifications that could lead to registration for an ECD NQF level 4 or 5 qualification.

NB If you do not bring these documents you will not be allowed to register.

Thandulwazi cannot make photocopies or provide a pen to fill the documents with on Registration day, so please ensure that you come prepared.
