MESSAGE FROM THE HEAD OF SCHOOL: BOYS' COLLEGE

'I would tell players to relax and never think about what's at stake. Just think about the basketball game. If you start to think about who is going to win the championship, you've lost your focus.'

Michael Jordan

A year ago we welcomed you to the first such tournament to be hosted by St Stithians College and since then it is a pleasure for me to be able to reflect that Basketball at the school has grown, most aptly, in leaps and bounds. All our players, under the expert guidance of coaches Messrs Roland Andangndou, Fungai Matsindikwa and Seann Rubinek, have developed their confidence and their skills in the game and the U16 age group in particular has exceeded expectations in terms of their achievements.

To all those boys participating in this event, your commitment to, and your passion for the sport, has been rewarded not only by your victories, but by everything else you and all other sportsmen gain. The values of camaraderie, team spirit, sportsmanship, determination, commitment to excellence, and perseverance, are skills that extend beyond the fields of play – these are life skills that will provide a solid foundation for future success for all of you.

To everyone involved in the planning of this event I offer my thanks for the many hours that have been spent in ensuring the tournament's success. Thank you as always to the coaches and to the parents for your tireless enthusiasm and support, to the First Aid teams who are always on stand-by, to the ground staff for their preparation of this venue, and to our sponsors for their generosity. I would like to make special mention of the Basketball Committee who have played such a pivotal role in the organisation of this tournament and for their dedication to our school, we are most grateful for everything you have done.

To the players, these three days are the culmination of your dedication and of the hard work you have put into training and preparing for the tournament, and I wish you joy in your playing.

Yours faithfully
Mr David du Toit

St Stithians Team

Front Row (L-R): Head Coach - Roland Aghen Amdongndou, Taonga Phiri, Luke Harvey, Wanangwa Nyasulu(C), Bonolo Molatudi(VC), Giles Munyamana, Coach - Fungai Matsindikwa.

MORRIS ISAACSON HIGH SCHOOL BASKETBALL

Morris Isaacson High school is a school known for its rich history as it played an important role in the start of the Soweto Uprising in 1976. With such great history, it has also produced great South African icons like Tsietsie Mashinini and Dr Ivan Khoza.

The basketball program was formed in 2017 through a partnership between Soweto Basketball Academy and Morris Isaacson High school. Since the start of this program, the MIHS basketball teams (boy and girls) have been the most formidable and successful high school basketball team in Soweto for the past two years. We won back to back the Soweto High Schools Basketball Championships in 2017 and 2018 with both Boys and girls teams.

The School Basketball Team is known as the Morris Isaacson Warriors

Morris Isaacson Warriors team for the u16 St. Sthians Boys' College 2019 Tournament

Back Row (L-R): Nkosinathi Masina, Lehlohonolo Sekale, Tshepo Dithabe, Njabulo Macayi, Melvin Mthembu, Mpho Tlhadi.

Front Row (L-R): Junior Radebe, Ntokozo Bacela, Masonwabe Mene, Nhlamolo Hlongwane, Nqobani Moyo, Hanock Moeti.

SPALDING
TRUE TO THE GAME

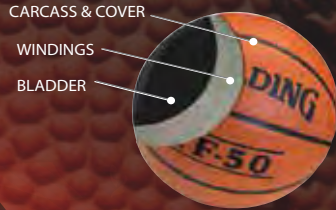

OFFICIAL SPONSOR

Laminated Basketball Construction

Laminated construction uses leather or composite panels. These panels are fixed onto a rubber carcass by hand in order to provide athletes with the highest quality basketballs available. The versatility of this ball construction gives players the ability to take their game to the next level.

Moulded Basketball Construction

This construction is used on outdoor basketballs and provides increased design capabilities and a wide range of available color and graphic options.

NBA GOLD

- Exclusive composite cover material.
- Full ball pebbling
- Exceptional grip for better handling.

Lightning Siren

The College has a lightning system linked to the SA Weather Bureau. In the event of lightning within a 15km radius of the College, the alarm will be sounded with one long siren. When you hear the siren, you need to take shelter out of the open immediately. Move off metal grandstands immediately. Do not panic and do not run, but make your way towards the nearest school building or your vehicle (if close by) and take shelter until you hear the all-clear, which is two shorter sounding sirens. The system is set to give us the all-clear only after 31 minutes of no lightning activity within our 15km radius.
