

As we approach the
Christmas Season, this year
why not give a gift that will
keep on giving?

Education

THE GIFT OF HOPE

There are so many ways to make a
contribution to Thandulwazi this year-end:

- **Donations in the name of clients:** For parents who run their own businesses, instead of buying your staff and clients corporate gifts, why not make a donation to Thandulwazi in the name of your client or valued staff member? A donation to Thandulwazi will be acknowledged with a personalised certificate of thanks.
- **B-BBEE Scorecard compliant SED (Socio-Economic Development) Contributions:** Did you know that Thandulwazi has a BEE Certificate and qualifies 100% for B-BBEE SED recognition? For further information on how your company can make an SED Contribution at the end of this financial year, please contact Bev Johnson, Foundation Director (details below).
- **Donations in lieu of gifts for loved ones:** This Christmas, avoid the crowded shopping centres and the stress of searching for yet another "perfect" gift! During this season of giving, make a donation that will make a lasting difference. A donation to Thandulwazi, in the name of a loved one, will be acknowledged with a personalised letter of thanks.
- **Each One, Sponsor One:** By pledging R150 per month (or R1800 pa) to support a teacher or learner, from a disadvantaged community, to attend one of the programmes offered by the Thandulwazi Maths & Science Academy, you will be giving a gift for life and helping to provide young people with the knowledge and skills needed to become active and contributing members of the broader South African community and economy.

*All donations to this nation-building project are welcome
and will be used to make a world of difference in
the lives of someone less fortunate.*
