

St Stithians College is a proudly South African school, embracing diversity and offering a distinctive educational experience. Founded as a Methodist Church School, our Christian spirituality is central to our identity. Our College consists of primary and secondary boys' and girls' schools, together with a co-educational junior primary school. We are an independent, non-profit institution located on an expansive green campus in Sandton, Johannesburg. In addition, St Stithians incorporates Kamoka Bush School near Modimolle, and the Thandulwazi Maths & Science Academy on our Campus. As a College, we are intent on Inspiring Excellence and Making a World of Difference.

GIRLS' PREPARATORY

Our primary intention is to educate and empower girls, raising them in ways that are responsive to the challenges unique to women. We aim to be the leaders in girls' education, with the focus on nurturing individual skills and dispositions, equipping girls to engage confidently and with a sense of purpose. Our girls work within a values-based framework in order to make decisions with good intent. The South African context is diverse and dynamic. We raise girls to embrace their heritage and collaborate locally to make a significant contribution nationally and internationally.

Grade 6 & 7 Maths Teacher (Locum)

The Girls' Preparatory invites applications for the above-mentioned position which will be available from **1 May 2019 to end November 2019** at the Girls' Preparatory as part of a dynamic and highly responsive existing team, which works with students across the foundation, intermediate and senior phases.

Applicants will need the following qualifications, skills and competencies to be eligible for this position:

- Suitable qualification and experience in mathematics and teaching
- A sound and progressive understanding of the South African curriculum
- Exposure to the latest international and local trends in mathematics education
- An understanding of the constructivist approach to teaching mathematics
- High school experience would be beneficial
- A fundamentally future-oriented and flexible approach to teaching and learning
- A commitment to on-going personal and professional development
- An awareness of the nature of the school and willingness to commit to its all-round ethos, co-curricular activities and pastoral approach
- Ability to work as part of a team, liaising with members across the St Stithians campus
- Excellent interpersonal and communication skills
- Experience in the use of Apple technology in the classroom would be an advantage
- Proof of registration with SACE
- Proof of a sexual offender's clearance certificate.
