Founded as a Methodist Church School, our Christian spirituality is central to our identity. In addition, St Stithians incorporates Kamoka Bush School near Modimolle, and the Thandulwazi Maths & Science Academy on our Campus. As a College, we are intent on Inspiring Excellence and Making a World of Difference.**

## GIRLS' PREPARATORY

Our primary intention is to educate and empower girls, raising them in ways that are responsive to the challenges unique to women. We aim to be the leaders in girls' education, with the focus on nurturing individual skills and dispositions, equipping girls to engage confidently and with a sense of purpose. Our girls work within a values-based framework in order to make decisions with good intent. The South African context is diverse and dynamic. We raise girls to embrace their heritage and collaborate locally to make a significant contribution nationally and internationally.
