

INSPIRING EXCELLENCE. MAKING A WORLD OF DIFFERENCE

The Thandulwazi Maths & Science Academy is the seventh school of St Stithians College funded through Thandulwazi Trust and St Stithians College. Established in October 2005, the academy advances the teaching and learning of Maths and Science in schools in and around the Gauteng Province.

Thandulwazi Intern-Teacher Training Programme 2021

ARE YOU INTERESTED IN A CAREER AS A TEACHER?

The Thandulwazi Trust, in partnership with St Stithians College, is offering prospective teachers the opportunity to study towards a part-time 4-year Bachelor of Education (B.Ed.)/Foundation Phase, (B.Ed.) Maths and Science or 2-year Post Graduate Certificate in Education (PGCE) while gaining workplace experience at St Stithians College. Successful candidates will be appointed from January 2021.

Preference will be given to aspiring individuals who are:

- Passionate about exploring a career in teaching ECD/Foundation Phase, Mathematics, Physical Sciences or Languages (across the phases), and
- Students already registered in one of the above courses
- Current Grade 12 learners eager to explore a career in teaching who display strong academic results especially in Maths and/or Science
- South African citizens
- From previously disadvantaged groups and/or students in need of financial assistance

Benefits you will receive:

- Mentoring by experienced teachers
- Valuable professional training and workplace experience within an independent school environment

In addition, you may qualify for one or more of the following benefits, depending on your financial needs' analysis:

- Payment of tuition fees at UNISA and textbook allowance.
- Daily meal allowance during term time.
- Workshop conference allowance.
- A monthly stipend.

Please note that accommodation and transport subsidies are not offered as part of this programme.

If you would like to apply for this wonderful opportunity, please apply online by clicking on the following link:
