

St Stithians College is a proudly South African school, embracing diversity and offering a distinctive educational experience. Founded as a Methodist Church School, our Christian spirituality is central to our identity. Our College consists of primary and secondary boys' and girls' schools, together with a co-educational junior primary school. We are an independent, non-profit institution located on an expansive green campus in Sandton, Johannesburg. In addition, St Stithians incorporates Kamoka Bush School near Modimolle, the Thandulwazi Maths & Science Academy on our Campus and most recently the St Stithians Online School. As a College, we are intent on Inspiring Excellence and Making a World of Difference.

GIRLS' COLLEGE

St Stithians Girls' College provides an inclusive community where our young women are encouraged to explore, experiment and investigate. In line with the College's Methodist ethos, this involves active participation in the variety of academic and extracurricular activities on offer. In our school we are shaping and moulding responsible citizens of the world. These are individuals who can operate as world citizens with sensitivity and understanding. We have adopted a broadminded approach to education at the Girls' College and actively encourage our students to be critical of their habits and conventions and aware that life contains a multitude of possibilities. Our approach is to create independent, resilient and accountable women who are able to see difference and foreign not as a threat to be resisted, but as an invitation to explore and understand, expanding their capacity for citizenship and cultivating a humanity that inspires excellence and is ambitious in making a world of difference.

Head of Department: Geography

The Girls' College is seeking to appoint a new head of department for Geography. Applications are invited from suitably qualified and experienced individuals who believe they have the required skills and competencies to take on this position from 1 September 2023.

The requirements for this position are:

- A suitable professional qualification and appropriate academic experience
- Knowledge of the IEB academic and administration expectations are a distinct advantage
- Experience teaching Geography at a FET level, including Grade 12
- Experience at IEB or DBE Grade 12 marking would be a distinct advantage
- Understanding of current educational practices and trends, with a particular focus on Geography
- Excellent computer skills, and vision with respect to how technology can enhance the learning experience
- Excellent communication skills, both written and verbal
- The ability to work with multiple stakeholders including, staff, students, and parents
- The ability to create and sustain relationships with students and colleagues in our College environment
- An unequivocal commitment to efficiency in a busy school
- Flexibility to adapt to the changing needs of the College
- A commitment to on-going personal and professional development
- An awareness of the nature of the school and willingness to commit to its all-round ethos, co-curricular activities and pastoral approach
- Proof of registration with SACE supported by a sexual offender's clearance certificate

To apply please click on the following link before the closing date of 3 April 2023 <https://stithianjobs.mcidirecthire.com>
Applications received via email will not be considered. Applications must be done via the above link only.
