

St Stithians College is a proudly South African school, embracing diversity and offering a distinctive educational experience. Founded as a Methodist Church School, our Christian spirituality is central to our identity. Our College consists of primary and secondary boys' and girls' schools, together with a co-educational junior primary school. We are an independent, non-profit institution located on an expansive green campus in Sandton, Johannesburg. In addition, St Stithians incorporates Kamoka Bush School near Modimolle, and the Thandulwazi Maths & Science Academy on our Campus. As a College, we are intent on Inspiring Excellence and Making a World of Difference.

BOYS' PREPARATORY

At the Boys' Prep, we strive to develop the character and potential of every young student entrusted into our care, through our academic, sport, cultural, leadership and outreach offerings. We believe that a boy-friendly education creates a cornerstone for developing young men of character.

IT Specialist Teacher

We invite applications for the above position which will be available from 1 September 2024.

We are seeking a vibrant, hard-working, and enthusiastic candidate who will work well in a team and who believes they would be an asset to this exuberant department.

The requirements for this position are:

- A suitable professional teaching qualification
- A sound and progressive understanding of the South African curriculum and international trends in education
- An excellent teacher who can engage and inspire young boys creatively whilst understanding the considerable part all teachers play in supporting children emotionally, and the significant link this has to academic achievement.
- Relevant experience in teaching IT within a preparatory school environment
- A commitment to accommodate students with diverse backgrounds, preferences, cultures, and association
- A willingness to embrace rapid changes in education, a sound knowledge of current trends, experience in or an understanding of Inquiry-based learning and STEAM would be an advantage
- The willingness to be involved in and offer insights into the development of our curriculum in the areas of Coding & Robotics
- A commitment to on-going personal and professional development
- An awareness of the nature of the school and willingness to commit to its all-round ethos, co-curricular activities, and pastoral approach.
- Ability to foster and sustain positive relationships with all stakeholders
- Proof of registration with SACE supported by a sexual offender's clearance certificate

To apply please click on the following link before the closing date of **27 March 2024** <https://stithianjobs.mcidirecthire.com>
Applications received via email will not be considered. Applications must be done via the above link only.
