MESSAGE FROM THE HEAD OF SCHOOL: BOYS' COLLEGE

Welcome to the 5th edition of our St Stithians annual U16 Basketball Tournament. It is a privilege and joy to bring many members of the basketball community together once again. Basketball is a fast-growing sport in our schools and brings with it great energy, a positive vibe and competitive camaraderie. Let us not forget that first and foremost we play sport for the fun of it and the excitement of being in a team and being able to be in tournaments such as this one. This year we have the added thrill of having our Girls' College hosting their u16 Festival this weekend too – the thought of having two premier basketball u16 festivals on our campus in the future indeed has the potential to be the premier u16 basketball event in South Africa.

And so, it is a pleasure for me to be able to reflect and look forward to the exciting and connective experiences that await our children, especially at an event such as our U16 Basketball Tournament. I would like to salute and pay tribute to our coaches, who have coached, mentored and developed our students across the national schools sporting space, and brought you safely and prepared to our campus this weekend.

To all those boys participating in this event, your commitment to, and your passion for the sport has been rewarded not only by your victories, but by everything else you and all students have worked so hard for both on and off the court. The values of camaraderie, team spirit, sportsmanship, determination, commitment to excellence, and perseverance, are skills that extend beyond the courts of play – these are life skills that will provide a solid foundation for future success for all of you.

To everyone involved in the planning of this event I offer my thanks for the many hours that have been spent in ensuring the tournament's success. Thank you as always to the coaches and parents for your tireless enthusiasm, unmatched commitment and support, to the ground staff for their preparation of this venue, and to our sponsors for their generosity. In particular I wish to thank Cross Trainer for their support as our main sponsor. I would like to make special mention of the St Stithians Boys' College Parent Basketball Committee who have played such a pivotal role in the organization of this tournament and for their passion shown towards our school. We are most grateful for everything they have done.

To the players, these three days are the culmination of your dedication and of the hard work you have put into training and preparing for the tournament, and I wish you joy in your playing.

Lastly, I hope that we have all reflected and realized what a privilege it is to be healthy and play a sport you love so much. Enjoy, makes friends, and may all who are involved in the event, be all the richer at its conclusion.

Yours faithfully
Mr David du Toit

MESSAGE FROM THE HEAD OF SCHOOL: GIRLS' COLLEGE

"You have to love your sport. Your passion and dedication can't be some-time, part-time or spare-time. It has to be all-time."

Breanna Stewart

On behalf of St Stithians Girls' College, I warmly welcome the girls' basketball community to our inaugural U16 girls' basketball tournament hosted at St Stithians College. How exciting we can host such an event and welcome girls' schools from across Southern Africa.

Basketball takes tremendous commitment and is an enormous investment of time from the athletes, coaches, and, importantly, our parents, our biggest fans and supporters. This tournament is about good sportsmanship and the enormous camaraderie and energy on and off the court. Basketball is an exciting team sport and provides significant collaboration, communication and leadership opportunities. I trust that you will enjoy this celebration of sport with us and contribute towards the positive atmosphere and encouragement of participants both on and off the court.

Thank you to our coaches and team managers, first aid team, events management team, sponsors, and volunteers. We value and appreciate all the effort you have put into this tournament. To our parents, thank you for your unwavering support, and most importantly, to our players, thank you for your passion and dedication – all the time.

Best wishes to One and All.

Sally James
Head: St Stithians Girls' College

MESSAGE FROM THE BOYS' COLLEGE CHAIR

Wishing you all an exceptionally warm welcome to St Stithians College and the 5th edition of our U16 Basketball Tournament!

The Girls' College is hosting their first U16 tournament over the same period this year and we look forward to future collaboration and the expansion of this joint initiative.

We are incredibly grateful to the players, coaches and supporters who have travelled from across the province and nationally, as well as from other countries on the continent, to join us for this annual celebration of basketball. Thank you for being here as we expand the sense of community that basketball so readily fosters. It is on these courts, and as we watch from the side lines, that friendships are formed, ideas are shared and opportunities present themselves to add to the further growth and develop this amazing sport.

The basketball community at St Stithians commenced the new season in September 2022 with a Season Launch and Fundraising event, which was supported by our incredible Saints basketball family. Since then, two courts have been resurfaced, giving us the ability to invite more teams to compete, as the sport grows exponentially. In January we welcomed a new cohort of enthusiastic U14 players and their parents, who are already actively contributing to our committee and plans to develop the Basketball Precinct and take the game to new heights!

A special thank you to our donors and sponsors, specifically Moteko for the participants' bags and The Cross Trainer, our anchor sponsor who is already a long-term partner, as we share a passion for basketball and an ongoing commitment to the game as well as the development of our Saints Basketball Precinct.

May our children thrive on these courts during the tournament and beyond and I trust that parents will enjoy every moment of the exhilarating games at which we are fortunate enough to be spectators.

Travel safely and we look forward to seeing you next to the courts as we end the term and commence a new season of basketball in September.

God bless. and Kind regards

Monique Diez

MESSAGE FROM THE CAPTAINS

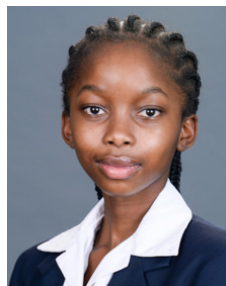

BOYS'

The St Stithians U16 Basketball Tournament is something us players really look forward to playing in. This tournament is one of the most exciting and prestigious of its kind in the country. We play different talents from great schools in and out of the country. This grants us an opportunity to meet and play different opponents and gives us an exceptional experience. This competition brings out many different emotions, hard work and determination. This is indeed a competition you would not want to miss out on. The U16 team, coaches and St Stithians welcome you to our tournament and hope you make great memories and forge new friendships while enjoying the game of basketball.

Luyolo Boqo

GIRLS'

Good morning one and all,
Welcome, all the players and coaches, to our campus. My name is Thando Mcobothi. I want to thank St. Stithians for hosting and managing this tournament. This year's tournament is big, for the first-time girls' teams have been invited to participate in the under-16 St. Stithians basketball tournament. This shows me that St. Stithians supports girls in modern sports. The only way that women's sports can progress is by hard work and opportunity, and since we have been given equal opportunity to showcase our talent, we have been ready to put in the hard work. I am thrilled to be a participant in this contest of skill, passion and hard work. I invite you all to enjoy this tournament as well as our school. All the best to all the athletes who have put in the time and work for this tournament, thank you to the coaches and staff for getting all of us as athletes fit and ready.

Thank you,
Thando Mcobothi

COMPETITION RULES & REGULATIONS

1. GENERAL

ST STITHIANS GIRLS COLLEGE BASKETBALL (SSGCB), under the auspices of ST STITHIANS GIRLS COLLEGE, strives to offer a highly competitive basketball tournament for all teams registered as well as spectators. For this reason, the SSGCB has drawn rules & regulations which tournament participants must follow. These rules & regulations are aimed at ensuring fair play as well as an organised tournament for all to enjoy. The games will run over three (3) days, i.e. from 08:00 on Friday, 10 February 2023, to the afternoon of Sunday, 12 February 2023. Pool games will lead to quarter-finals, semi-finals & then the finals.

2. PARTICIPATION

- Eligibility will be restricted to players born on or after 01 January 2007.
- Teams will be officially registered after full payment of affiliation fees and sending the proof of payment to nmazarura@stithian.com (Tournament Coordinator)
- Registration fees are non-refundable.

3. TEAM COACHES/MANAGERS

- Each participating team MUST have a coach/manager on the bench during each game and ensure they have at least one (1) Captain.
- The participating schools must further understand that SSGCB is not responsible for any injuries or accidents that may occur during this tournament OR for lost/damaged/misplaced items. By participating in the event, the coach/manager/players waive all liability against SSGCB. For indemnity purposes, this clause applies to any parent/s, fans or spectators who may come to the tournament.
- Coaches/managers MUST confirm their team roster with the table officials for each game thirty (30) minutes before the scheduled start time of each game.

4. GAMES, POOLS, POINTS SYSTEM & BONUS POINT SYSTEM

- Teams have been divided into four (4) pools, of which the top two teams from each pool will advance to the quarter-finals after the pool games. The winner of each quarter-final will go to the semi-finals, which will lead to the finals. Teams that fail to reach the quarter-final and (those who are eliminated during the knockout stage) will play placing/position games accordingly.
- (The final positions shall be used for seeding in the 2022 edition of the pools accordingly)
- A point system shall determine advancement from the pool games to the quarter-finals, that is:
 - a) WIN = 2 points
 - b) LOSS = 1 point
 - c) FORFEIT = 0 points
 - d) If teams have the same number of points, a scoring ratio will be utilised as follows:
 - i) TWO (2) WAY TIE ON THE LOG STANDINGS – Head to Head will be applicable

COMPETITION RULES & REGULATIONS

ii) THREE (3) WAY OR MORE TIE ON THE LOG STANDINGS - The game results of only the teams involved will be considered. Should the teams still be tied based on the log standings, then points and average will be considered: (that is, points scored versus points against). If a tie remains, the goal average of all games played in the pool will be considered.

5. TEAM ROSTER

- Each school may register twelve (12) players for the tournament duration, and the roster card **MUST** bear the signature and stamp of the MIC and the Head/Principal of that particular school.
- Once a roster has been handed to the Tournament Coordinator, that particular team will be finalised, and no player maybe be added for the duration of the tournament (unless the same has been communicated accordingly).
- If a school registers or uses a player not enrolled at the school, that particular school will be disqualified from the tournament pending further action.
- Please include your team kit colours on your roster card.

6. BASKETBALL UNIFORM

- All teams must wear uniform basketball jerseys and shorts with numbers imprinted during their games. If teams pitch up to a game in a similar/same coloured kit, the referees will be forced to apply the FIBA rules to determine which team ought to play in a “light” or “dark” kit. Coaches/managers are therefore encouraged to liaise with each other before games to avoid any kit clashes.
- All teams are encouraged to wear the exact colour **UNDERGARMENTS** as stipulated by the FIBA rules and no exceptions unless a doctor’s note is produced.
- No jewellery, necklaces, earrings, wristbands/wrist clothes or watches may be worn during any game.

7. PLAYING RULES

ALL games will be played according to the FIBA rules and regulations as of 01 October 2020 unless stated in this document. If there is a conflict between the FIBA rules & the tournament rules: then the tournament rules will supersede the FIBA rules.

a) **FORFEIT** - A three (3) minute grace period after the scheduled start time of each game will be allowed for any team that does not arrive on time as per the tournament fixture: after that, a forfeit will be declared.

b) **GAME CLOCK** - Teams will be given a three (3) minute warm-up period before the scheduled start of each game. Teams may also use the open plan areas found next to the playing courts to warm up sufficiently; however, we request that teams accommodate each other accordingly.

COMPETITION RULES & REGULATIONS

8. GROUP GAMES

RUNNING TIME of EIGHT (8) minutes, four quarters. Two-time outs in the first half & two time-outs in the second half (each 35 seconds long).

- **START STOP** time in the last two minutes of the game if the point difference is TEN (10) points and below at any time & the clock will only stop on any whistle.
- **OVERTIME** - If a TIE occurs during a game, three (3) minutes shall be added with ONE time out per team. The first two (2) minutes will be running time.

FINALS (FULL GAME)

Games will be played according to 8 minutes four quarters of START STOP time.

9. EJECTION

- Should a player or coach be ejected/disqualified from a game, they will be suspended for one (1) game regardless of their team's stage in the tournament and then may, after that, return to continue coaching/playing their team.
- The DC will look into the ejection and see if any further or lesser punishment may be sanctioned against the player/coach.

10. PROTEST

In the event of a protest, it must be handed to the Head of Technical not later than fifteen (15) minutes after the game in question, accompanied by a fee of R1000, which will only be refunded if the ruling goes in favour of the protesting team.

11. TOURNAMENT DISCIPLINARY COMMITTEE

The Disciplinary Committee will include the Head of Technical as the Chairperson, the game in question Crew Chief and two other members elected by the SSGCB technical committee.

12. SOCIAL MEDIA

All athletes and coaches are urged to seriously caution about what will be posted on all SSBC social media platforms. Any serious offences or infringement of the rights of individuals, teams or even the institution can result in the expulsion or disqualification of a team or individual. Coaches and Managers are advised to monitor all their athletes' activity on social media. All teams should promote good spirit and sportsmanship throughout the tournament.
