

Bothhale Boikanyo's Spoken Word & Music Released Across All Digital Platforms

Today marks the official digital launch across all platforms of the much anticipated motivational work by spoken word poet and performer, Bothhale Boikanyo (SA's Got Talent Winner 2012) through Sony Music Entertainment Africa.

Bothhale Boikanyo's performance of 'Madiba Tribute' on SA's Got Talent (a year before Madiba passed away) went viral in January of this year after a post on **Upworthy** - <https://www.facebook.com/Upworthy/posts/691728920867969> - with over half a million views '**Madiba Tribute**' is one of several poems featured on the album for which a lyric video featuring Bothhale's dynamic performance has also been completed. The lyric video will premier on VEVO to coincide with Africa Day at the end of May 2014.

The album titled 'Spoken Word & Music' is comprised of Bothhale's most popular poems captured with the same energy as her live performances and recorded to music. The album is co-produced by Ian Osrin, Mumsy Boikanyo and Thabo Khunou who have each contributed to the recording in their respective areas of expertise.

'Spoken Word & Music' will be available in stores on 05 May 2014
