WELCOME FROM THE RECTOR

St Stithians College is delighted to host our 26th Saints Water Polo Invitational this year, continuing a truly remarkable legacy. On behalf of the schools of St Stithians, I welcome players, coaches, officials, parents and supporters to two festive weekends of water polo, first the Prep Schools and then the Colleges and High Schools. May you enjoy our hospitality and leave with good memories. We look forward to the celebration of all the best that this sport has to offer.

Organising and administering the Saints Invitational requires a truly dedicated and gifted team of staff, parent volunteers, officials and referees. Thank you, One and All, we really appreciate your dedication, enthusiasm, teamwork and commitment. Thank you, too, to our sponsors and vendors who contribute to the professionalism and great vibe around our Aquatics Centre.

A total of 32 boys' and girls' teams take to the water in the Prep Festival, and 40 boys' and girls' teams in the College Festival.

Enjoy this sporting extravaganza and a warm Saints welcome.

Dr T A Nuttall
Rector and Executive Head

MESSAGE FROM THE CHAIR

As a mum of three Water Polo playing children, this is an exciting time to be involved in your children's sporting careers. Perhaps your child is playing in their first Water Polo tournament at Saints as a Junior or this may be their very last one in the Senior tournament.

The St Stithians Junior Water Polo tournament is for many the beginning of an exciting journey in the passionate world of Water Polo. Some players and parents have had a small taste of the future, and may have touched by it with involvement in Junior clubs, school teams or for a province. The youthful energy and enthusiasm of these athletes is entrancing and beautiful to observe.

For those participating and playing in the Senior tournament, this is a time of playing against friends and rivals and further developing close relationships with players from other schools, countries and provinces. For some, this is the last Saints tournament they attend as they prepare for the end of Grade 11, moving onto Matric and then the move to life outside of school.

Recognition must go to the huge amount of passion and commitment shown by everyone involved in creating these amazing tournaments.

Enjoy Everyone!

Lightning Siren

The College has a lightning system linked to the SA Weather Bureau. In the event of lightning within a 15km radius of the College, the alarm will be sounded like one long siren. When you hear the siren, you need to take shelter out of the open immediately. Move off metal grandstands immediately. Do not panic and do not run, but make your way towards the nearest school building or your vehicle (if close by) and take shelter until you hear the all-clear, which is two shorter sounding sirens. The system is set to give us the all-clear only after 31 minutes of no lightning activity within our 15km radius.
