

ST STITHIANS
COLLEGE

Endowment Fund

"That here our ship once anchored,
and here its course was set"

In the eyes of a child you will see the world as it should be

St Stithians College is a proudly South African school located in a highveld parkland in the heart of Johannesburg. St Stithians offers a synergy model of boys' and girls' schooling on one campus.

The institutional advancement of St Stithians relies on creating a community of belonging through positive relationships and encouraging a culture that encourages contributions which develop the College and the roles that it plays as a leading South African school.

The College seeks to create a community of belonging among students, staff and parents, both

in the present and through strong links with our alumni and past parents.

“fundraising is the gentle art of teaching the joy of giving”

Education is improving the lives of others, and leaving your community and the world better than you found it...

The purpose of the Endowment Fund is to ensure that St Stithians is empowered to be financially stable, can employ specialist staff, offer bursaries as well as, most importantly, be able to build and plan for the future .

The St Stithians Endowment Fund ensures that future generations of St Stithians students continue to benefit from this world class education and in turn, make their own contribution.

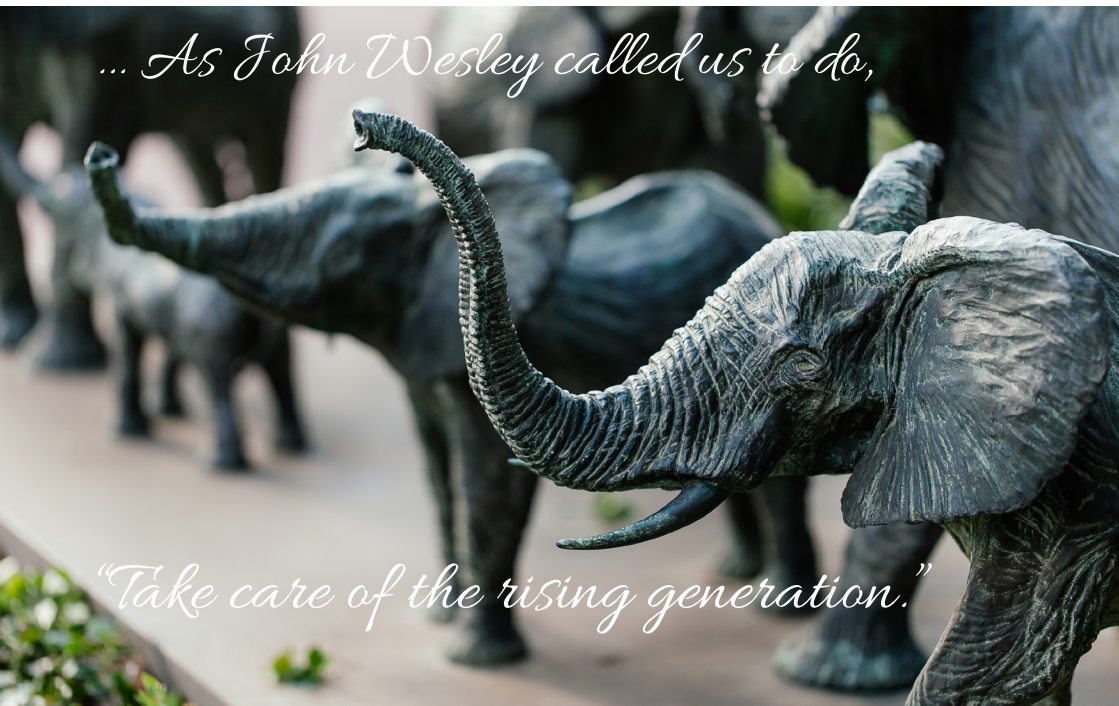

All the funds raised by the Endowment Fund are mainly

from members of the St Stithians community and will be used for bursaries and key projects identified to benefit the Saints community.

People who donate are big picture thinkers who understand the importance of the long-term financial sustainability provided by a healthy Endowment Fund. Women and men who know not just the importance of dreams, but the hard work needed to build them, and..

... As John Wesley called us to do,

"Take care of the rising generation."

DONATIONS TO THE ENDOWMENT FUND

As St Stithians embraces the future, enhancing its educational programmes and facilities, the College invites donations of skill, contacts, expertise and money.
