**HAVE YOU SIGNED UP FOR THE
TELKOM 947 CYCLE CHALLENGE ON SUNDAY 18 NOVEMBER 2018?**

In 2018 Team Thandulwazi will cycle the 947 Cycle Challenge for the fifth year in a row. Many of our cyclists have been part of this great Saints community builder since inception, 2014. Be part of this year's 947 Cycle Challenge, sign up to Ride for a Purpose with Team Thandulwazi, and make a world of difference to the education of a student.

Team Thandulwazi needs your support!

We would like to invite all cyclists, novices and seasoned riders, to join members of the **St Stithians College Council, College Executive, staff and students** on the starting line in support of this worthy cause. Funds raised will be in support of the Thandulwazi academic scholarship programme:

All **Team Thandulwazi** cyclists are required to wear the Thandulwazi cycling shirt. No exceptions will be made.

- New team members will be required to buy the branded Thandulwazi cycling shirt. The cost of the shirt will be advised once this has been confirmed by the supplier (approx. R650). Please provide us with your shirt size if you are a new member of **Team Thandulwazi**.
- For cyclists who rode for **Team Thandulwazi** over the last four years, the shirts purchased for previous events may be used again this year.

Seeding criteria for individuals in charities

- Seeding is the term used to place or distribute the cyclists into their appropriate start time according to their results (index). Seeded cyclists will be seeded according to their index.
- All novice cyclists will automatically be placed into their chosen charity's starting group time. We have been advised by the organisers to anticipate a charity start time between 08:30 and 09:15. However, these times will only be allocated after entries close and may change at the discretion of the organisers. Starting times do vary from year to year.
- Any cyclist may *Ride for a Purpose* and join the Thandulwazi Charity Bond. It is open to both experienced and novice cyclists.

Further details about the event and pre-race function will be circulated in due course – so watch the website (<http://www.thandulwazi.com> or www.stithian.com) for further information.

If you have any queries or require further details please contact: TeamThandulwazi@stithian.com.
