

## Nicole Smith & Musical Kur

Nicole Smith is an international Grand Prix Dressage Rider, who has represented South Africa on many occasions in international events held in Europe. She has recently qualified to represent South Africa at the World Equestrian Games, to be held in Normandy in August this year. Her top horse, Victoria, is based in Germany with Olympic Champion, and top trainer, Hubertus Schmidt.

Nicole is a shining example of a rider who has progressed through the SANESA Inter-schools Equestrian League and the South African equestrian system, to riding, first, at the highest level of competition in South Africa, and then onto the world stage, competing at the highest international levels, at a very young age. Making the most of the opportunity made available to her, she has worked exceptionally hard to improve her riding skills and is now starting to make a mark on the European circuit. She has competed at some of the most prestigious events in the world, such as the famous World Equestrian Festival of Aachen, Germany and the Reem Acra World Cup Qualifier in Hertogenbosch, the Netherlands.

The St Stithians Equestrian Team is so proud to be able to host her at our inaugural Founders Day Equestrian Challenge, and to be treated to a demonstration of Dressage Riding at the very highest of levels.
