STUDENT AND VISITOR COVID-19 SCREENING

If you have a smartphone, please scan this QR Code, which will take you to the screening questionnaire that must be completed and submitted. **Please do not forget this step – it's very important.**

If you do not have a smartphone, please do not stress – the person doing the screening will either let you use the tablet provided or their cell phone. Please remember to sanitise your hands and the tablet / phone before using the device.

If you do not have a QR Scanning App on your phone, please download one – there are free ones available.
