## MESSAGE FROM THE OSA CHAIR

Dear Alumni

*Shaun Edmeston, 1998*

As the year draws to a close, we are fortunate to look back on an amazing 2015. One filled with so much success in our fine school and with so many Alumni performing on local and international stages. I am constantly reminded of the privilege that it was to attend a school like St Stithians. A school blessed with facilities, teachers and a community that's strength is based on something that no one can touch or feel but is truly evident from the minute you walk onto campus. Our school is no longer a young school. We have crested the hill and will now begin climbing towards a new summit under the guidance of some amazing people who give of themselves on an ongoing basis to ensure that our school lives up to the reputation it has.

On an Alumni front, we continue to grow from strength to strength, constantly growing our active base of members and returning value to the school. Our representation on decision making committees can be seen throughout the school, with the OSA influence now truly entrenched in every corner. This does not mean that we do not have challenges - getting more people involved is a major focus of ours and will continue to be. An Alumni cannot operate without its members to be a truly active Association. We will continue to strive to get more people involved and it is because of those who have given of their time, that we have been able to do some amazing things this year; propose and change the admissions policy; help rewrite policies; shape the future developments of the school; run successful festivals that result in donations back to the school and so much more. It would be impossible to highlight each and every effort made by Alumni through the year, but what I can highlight is the need for more involvement. How? Well it's simple. We need people to give of their time, their skills and if they have the financial resources, we need that as well. Something as simple as R100 per month can help shape the future of the school in ways we can only imagine. The momentum created through an initiative like the Hundred Club can change the face of the school and the Association. It gives us the ability to help those who need it, like paying for a child's education as we have done this year. It may not be a reality for everyone, but for those who need it, it must be great comfort to know that the OSA is there for them.

I would like to wish you and your families a Blessed and safe Festive Season, no matter where you travel or where you are. Enjoy the end of a very tough but worthwhile year and we look forward to welcoming you back in 2016. Hopefully you will see the value of getting involved in one way or another and I look forward to working with you. If you could keep Charlie in your prayers over this time as he continues his battle with Cancer, we wish him a quick recovery and some relief.

Season's Greetings

Dear Old Stithians

2015 is drawing to a close and as you know, the 2015 season has been an interesting one with some great results amongst our junior sides and we want to celebrate the building blocks of the future. 2016 really looks promising and we are hoping for good things to come from our senior sides as well.

## JOIN ST STITHIANS COLLEGE IN THEIR RECYCLING INITIATIVES

### FOOTPRINT COMMITTEE

- ◆ One of the College's strategic intents is for St Stithians to be carbon neutral . The Footprint Committee, consisting of members from each school as well as the Operations Director, assist in this initiative.
- ◆ St Stithians is part of the international Eco Schools project. Last year we were proud to receive our Platinum Award for the second year for our ongoing and sustainable environmental learning and management and for being a great example of a 'green school'.

### RECYCLING INITIATIVES

- ◆ Products for recycling may be deposited at the Recycling Depot (opposite the Boys College Boarding Houses) or alternatively in one of the banks of recycling bins around campus.
- ◆ E-waste for all electronic goods, including old computers, can be deposited in the cage at the Recycling Depot. Please ask Sydney, the Depot Manager to open the cage.
- ◆ Paper can be deposited in boxes in the classrooms.
- ◆ Please deposit all used ink and printer cartridges in the 'greenOffice' boxes in the foyers. The greenSCHOOL programme diverts cartridges from landfill so they can be reused or recycled. If your company is interested in joining this initiative please contact Mel Morrison ([mmorrison@stithian.com](mailto:mmorrison@stithian.com)).
- ◆ We also support a 'Tops and Tags' initiative, whereby wheelchairs are donated for the collection of bread tags and plastic bottle tops.
- ◆ We have a building frame at the J.P. Tennis courts for the collection of square Aqua water bottles. This is for the Bottle 2 Build initiative, whereby the bottles are used to build classrooms in underprivileged areas.
