Message from the OSA Chair

Dear One & All

As 2013 draws to a close, we can look back at another fantastic year at the school and a fantastic year at the OSA. The Higher Ground has continued to go from strength to strength and has become a popular meeting place, restaurant and function venue. Over the year we have seen some great things happening, from the 60th anniversary celebrations, the 30th year of the Sports Festival, a wonderful dinner for Piet, a Golf Day that filled two courses and so many fantastic events. All of this would not be possible without a lot of hard work from a committee that puts in many hours to keep the show going, and to them I am very grateful. To the matrics, we wish them well with their results and look forward to seeing them join our ranks as Alumni.

2014 also holds some exciting times for the Association as we continue to grow and offer more to our members. As usual if you would like to get involved, offer suggestions or just want to chat, please feel free to let me know and I will get in touch with you. 2014 will also see us drive the development of the new Pavilion and Fields next to Higher Ground and we will be looking for people to get involved in any way to help us to turn this vision into a reality. This, in conjunction with the Old Stithian Trust, will form part of our bigger goal of providing support for the school, children of Alumni and our own charity projects, as we look to make a difference in other peoples' lives.

From my side, I would like to take this opportunity to wish you all a safe and happy Festive Season and Best Wishes for 2014.

I do hope to see you soon at Higher Ground.

Festive Wishes

Shaun Edmeston

Cape Town Tens Tournament 2014

The OSA has entered a team into the 2014 Cape Town Tens Tournament on 7 & 8 February 2014. The team will consist of 20 players (5 forwards / 5 backs & 8 rolling subs) and 1 or 2 managers. We will take part in the beer light division for our 2nd year in the tournament. Cost for flights, accommodation, transport etc. was around R5000 each last year.) Sponsors for players who cannot afford it would be much appreciated. If you are interested in taking part, please send a mail with your name, surname, ID number, contact number, e-mail address, rugby CV (including position and fitness level) to Shaun Edmeston shaun@youcalled.co.za or Christian Ashcroft ashcroftchristian@gmail.com. Once your place is confirmed, you will need to pay R500 to secure your spot. You will also need to be available for a few practices, however, this will not exclude you from the team if you are out of town.

Letters of Mr E M ("Monty") Harris

"Monty" Harris was one of the first four staff members of St Stithians College in 1953. From the first few days of the College until April 1961, shortly before he died during a holiday visit to his sister Lilian in England, he recorded the early years of the development of the College in letters to Lilian. Following his death and at the request of Mr Mears, the first Headmaster of the College, Miss Harris typed up the extracts about St Stithians that Monty had written in his airmail letters. These were first issued in 1969 (volume 1: 1953 – 1956) and a second volume (1957 – 1961) followed. Few extant copies remain. The Archives copy is a signed copy that formerly belonged to Lindsay Baytopp, the first groundsman after whom Baytopp field is named.

Here are a few extracts from the letters:

Jan 31st [1953]:

"Yes, St Stithians has been "alive" for four days and it would not be far out to say that I, too, have been alive for the same period ... On Tuesday Mr Mears called for me at 9.a.m. and we proceeded to the house of Mr Tucker (he is an Accountant and one of the Council of the College) to pick up one desk and a load of books. From there to Ferndale where we picked up the two lady members of staff and thence the short journey to the school. The morning was spent in checking books, etc. and in the afternoon the boarders began to arrive. The boys are not a little proud of the fact that they will always be known as founder pupils. Wednesday was the great day. We were on the job about 7.20 a.m. ready for the influx of the nippers who do not live in. This is my first experience of classes for the "fives" and I have never seen so many small boys crying at the same time. ...

Feb 28th:

"And now to the doings of the week which has seen the first purchase of a St S cane and the use thereof. One of the Standard VII's [Grade 9's] so far forgot himself as to play the fool in Afrikaans lessons. I wonder whether he will go down in history as the first founder student to be caned."

The College Archives has undertaken, at the request of the Class of '63 who recently gathered for their 50th reunion, to produce a limited edition reprint of these delightful items which contain a unique record of the early years of the school. Mr Baytopp's copy and its companion volume have been digitised, printed and bound as replica sets of the originals.

These booklets are being made available to the Saints family, past and present, at R130-00 for the two volume set. Funds raised from this project will go towards the development of a Living History Museum in which the history of the College can be displayed and explored in both real and virtual formats.

Should you wish to order a set of these collector's items please complete the attached order form, deposit the amount electronically and email the form and payment proof to archives@stithian.com . Should you wish to pay by cash, please pay at the Bursar's office and email a scan of the receipt.

The Old Stithian Association has a proud history of contributing to the future of St Stithians College. Over the years, members of the Alumni, Parents and the Association have been involved in developing the College and its facilities to ensure we remain a world class facility.

In the past, Alumni and the OSA have been involved in the development of fields, lighting of fields, building of the HPC, donating funds for various projects around the campus and a number of bursaries to current and former pupils of our great school.

As the Association grows so we have been able to take on larger projects, the most recent being the building of our current home, The One and All facility which houses the Higher Ground Restaurant, The Warriner Pub, The Saints Lodge and a conference facility. All of these facilities have been open to the Saints community and have seen huge popularity for sporting events and private functions. Through the growth in these venues we have managed to grow further and we are now in a position to take on a much larger project.

The Higher Ground Development project includes 3 phases which will improve the area around the Higher Ground, increase the capacity for events and take the schools facilities to the next level.

All in all, this development project is envisaged to cost in the region of R7.5million to complete and will be funded through a number of channels. The OSA and the Old Stithian Trust will be looking to raise a large portion of these funds through donations and fund raising, with the goal of having the first 2 phases completed by the end of 2014 and ground being broken on phase 3 during the same period.

This project will help catapult our great school to the next level in terms of its facilities and ensure that we remain one of the best schools in the country. If you would like further information regarding the project or would like to make a contribution, please feel free to contact me at:

Shaun@flextra.co.za or 082 468 1445

Although this project is being managed by the Old Stithian Association it will only reach completion because of the help and commitment of the St Stithians community, one which has no equal.

I invite you to join me in helping to make a world of difference to a world class school making a world of difference.

Your sincerely,

Shaun Edmeston
Chairperson – Old Stithian Association

1. Pavillion
2. New field, irrigated and lit
3. Relocated cricket pitch
4. Potential indoor centre sites

PHASE 1

THE PAVILLION

The Pavillion will be built overlooking the current Wayne Joubert Field (directly below the Higher Ground). It will be built with increased change room facilities to help with the number of sporting events on the field as well as surrounding areas. It will also include a large open area which can be setup for catering for sports teams and supporters alike. The facility will provide viewing areas for the current Wayne Joubert Field and the newly envisaged field which will form part of Phase 2.

PHASE 2

ADJACENT FIELD

The current 'sand' field adjacent to the Higher Ground Conference Room is an opportunity to grow the overall school resources. The plan is to grass, irrigate and light the current field to make way for various setups for different sports. This will include space for two football/rugby fields and a cricket pitch. The pitch in the current Baytopp field will be removed and relocated so as to create a dedicated 1st team rugby field at the school. This development will create more space for current school teams as well as Crusaders sports teams and at the same time remove some pressure on the current fields.

PHASE 3

INDOOR CENTRE

The past few years has seen an increase in sporting codes offered on campus, many of which have the need for indoor facilities. This phase of the project will see the development of either the free space adjacent to the Higher Ground Conference Room or the current 'cabbage patch' field next to the pools. This facility will be able to host indoor hockey, netball and basketball for the learners as well as the Crusaders sporting codes. This facility will also be able to double up as a hall facility for the girls school.

The Saints Jubilee rose

Be part of celebrating 60 years of St Stithians College! Buy this beautiful Saints Jubilee rose bush and commemorate this historic event for years to come.

The Saints Jubilee rose is a wonderfully fragrant, hybrid tea rose which grows to hip height. The blooms are an intense scarlet on the edges of the petals mingling with cream at the base.

This one of a kind rose bush is available for purchase at a cost of R120.00 per plant (incl. VAT).

Order details on reverse.

All profits go to the St Stithians Boys' College Interact Club in aid of charity.

Saints Guest Lodge

One & All Club

The Saints Guest Lodge is situated at the One & All Club. A delicious full breakfast is served on the patio of the well known "Higher Ground Restaurant" adjacent to the Guest Lodge, offering sumptuous lunch and dinners too. The pub situated within the restaurant is fully licensed. The bedrooms have a separate entrance and have a 180 degree view of the Sandton and Johannesburg skyline. Secure parking is provided and entry to the Guest Lodge is via the Peter Place entrance. 24 hour security and camera monitored entrances make for a secure stay. The Saints Guest Lodge is a few minutes away from the Sandton Clinic as well as many major shopping complexes and the heart of the Sandton central business district.
