LIVE MUSIC!

WELCOME FROM THE RECTOR

The Saints SportsFest has become not only a premier sporting event but a celebration of camaraderie and an opportunity to meet old friends and make new ones. On behalf of our family of seven schools, I welcome you to the 2024 Saints Sports Festival. Our College theme for the year, All4One and One4All, captures the spirit of the Festival. This is an event about competition but more than that, it is an opportunity to support one another as teams and stretch individuals to achieve their goals. Sport is empowering and creates a sense of belonging that comes with being part of a team. I know that our campus will be ringing with the shouts of encouragement and that is at the heart of what this Festival is about as we embody All4One and One4All.

We mark a special anniversary this year as we celebrate 40 years of the Sports Festival. From the simple idea of a rugby festival for boys to celebrate the game and sportsmanship, we have grown to a six-sport, fully inclusive Festival. The photographs in the programme show our beginnings but what can never be shown are the memories made over the years that remain bright for many. We pay tribute to Colin Hall, one of the founders of, and the first Chair of the Festival. We are grateful to Colin for his vision, energy and servant leadership that he shared so generously with St Stithians and the many thousands who were fortunate enough to know him. I know that this year will add to that treasure trove of good memories. This will be especially true for our alumni as they compete in the Alumni Games, which enters its sixth year and continues to grow in popularity.

SportsFest begins with the Prep Festival which runs from 21 – 23 March. Thursday is the Human Rights Day holiday and Friday is a school holiday. The long weekend makes it an ideal opportunity for families to be fully part of the fun over the three

days of events. We look forward to welcoming you to the excitement of SportsFest. With 111 teams and 1131 participants from 38 schools, this promises to be a sporting feast of netball, rugby, squash, and tennis.

Our littlest ones have not been left out. The Junior Prep will be involved in hockey clinics on Saturday, 23 March 2024 at the Astros from 08h00 – 10h30. It is exciting to wonder how our little ones will develop over time.

The College Festival falls over Easter and runs on Wednesday 27, Thursday 28, Saturday 30 March and Monday 01 April. The campus will be overflowing with 99 teams and 1286 participants from 60 schools. There will be a full programme of football, hockey, netball, rugby, squash, and tennis. Our Thandulwazi Maths and Science Academy will be fielding boys' and girls' football teams, and we

are delighted that this year a Thandulwazi netball team will be on the courts.

Our hospitality areas are always a buzz of activity. This year, the OSA (Old Stithians Association) Zone has moved to Henning Field to overlook the football. There will be a satellite OSA GoSolr Zone on Jamieson Field overlooking the rugby being played on Baytopp. In addition, there will be plenty of vendors and activations in the hospitality area and on the Dlamini Oval.

A full list of events is included in this programme but I would like to draw your attention to the events that are open to all. We look forward to seeing you at either the Fun Run or Staff Walk on Monday, 01 April. The run will start from the Chapel at 08h00 and there is the choice of either a 2,5km or 5km course. If you would prefer a more leisurely pace, we have introduced a Staff Walk this year. This starts at the Chapel, beginning at 09h30 and also follows the 2,5km or 5km course.

As a Methodist school, we are mindful that the Sports Festival takes place over the Holy Easter weekend. As Christians, we mark the crucifixion of Christ and his resurrection; we welcome members of any denomination to worship with us. Services will be held on Good Friday in the Chapel (07h45 – 08h45) and on Easter Sunday in the Chapel (09h00 to 10h00). We look forward to spending a time of worship with you.

As I look at the number of schools, teams and participants involved in the 2024 SportsFest, I am in awe of the planning and work that goes into bringing an event of this magnitude to life and making sure that it runs like clockwork. It

takes months of preparation, and I am aware of the time and sacrifice made by all involved in the planning and execution of this gala event. I thank the SportsFest team and the many staff from each campus and the different school departments for their contribution to the success of the Festival. It is not only staff who are part of the team but also many of our parents, volunteers and friends of the school who tirelessly give their time and expertise. I am most grateful for your contributions.

An event such as this would not be possible without the support of generous sponsors. We are grateful for the continued and generous support from our main sponsor, Standard Bank. All of our sponsors are listed in the programme and we acknowledge each one for the part that they have played in making SportsFest 2024 possible.

In a world that feels so fractured, this gathering of like-minded people who are here not only to compete but also to celebrate the spirit of the game, gives me hope. It is on the playing fields that we can unite. This is character education beyond the classroom. As we spend the Festival time together, let us look not only at scores and results but to the lasting lessons that will take our children into a world where the values, integrity and courage they show in the various sporting arenas are translated into life.

I thank you for being part of this, our 40th Festival. We look forward to welcoming you back for many years to come.

It is with great pleasure to welcome you #ONEandALL to this eagerly awaited reverberating SportsFest which is also known for producing the most remarkable athletes, colourful characters, influential leaders, and memorable heroes. This year 2024, we are celebrating 40 years #RUBY JUBILEE of the SportsFest, commemorating sports excellence and the unwavering dedication by all participants. Mike Singletary (American former football player and coach) said: "Do you know what my favourite part of the game is? The opportunity to play.". This SportsFest has given many that opportunity to play and showcase their abilities in sports. It is through such a SportsFest that champions are born and nurtured.

As 2023 SportsFest has set new records in terms of numbers, diversity of sporting activities, inclusivity and achievements, the spirit and excitement that prevailed then was beyond our imagination and expectations,

for that we are very grateful for the support of everyone who contributed to the spectacular success. As the Chairperson of the SportsFest and the Team, we believe that the time to create a new legacy is NOW and everyone is welcomed to participate and contribute to this. Let history be the judge that the 2024 SportsFest rewrote a new history for St Stithians College and the associated communities that made it a success.

Therefore, as we celebrate the 40 years milestone, let's continue to honour those that came before us and those that took part in the SportsFest by keeping it alive, thrilling with great gusto and electrifying ideas.

I dare that we must not fail them and their dream! As Pat Riley said: "There are only two options regarding commitment. You're either IN or you're OUT. There's no such thing as life in-between".

Let's all enjoy the razzle-dazzle associated with the SportsFest.

Let's GO!!....
HAOWENG!! AZISHE!!
#One4All#All4One

Jacqui Matlala
Chair
Saints Sports Festival

Standard Bank is proud to once again partner with St Stithians for the annual Saints Sports Festival.

Our 12-year partnership with St Stithians not only demonstrates our dedication to supporting sporting excellence but also highlights the value we place on collaborations that have a positive impact on society.

As a financial institution that enables growth through our presence in 20 African countries and six international centres, Standard Bank is committed to supporting initiatives that promote the holistic development of the youth.

We recognise that both sport and education play an important part in nurturing the growth potential of well-rounded young people, fostering healthy competition and teamwork for a brighter future.

We believe that this year's Saints Sports Festival will be a resounding celebration of excellence, sportsmanship, and community spirit. Standard Bank is thrilled to be part of a platform that unites communities through the universal language of sports.

We wish all the participants the best of luck.

Thank you.

St Stithians is excited to welcome all the various schools that will be participating in Saints Fest for football.

Saints Fest is going to be a brilliant place to show off our skills to different teams, schools, and spectators and allow us to improve along the way. During this time, we can make new connections

and friends in the football discipline while having fun playing the sport, we all love. We can encourage each other to improve and develop not only as individuals but also as a team.

We do not doubt that the Saints Fest of 2024 will be full of fun and excitement.

Nicole Penberthy
Girls' College
Football Captain

I extend a warm welcome to all the participating schools; we are looking forward to hosting a thrilling and competitive series of games. I wish all the teams the best of luck and look forward to seeing all teams and players display respect and good sportsmanship on and off the field.

SPUR[®]

On behalf of the three captains of the St Stithians Boys' College 1st Hockey team, we would like to extend our warmest welcome to all the players, officials, staff and parents to our 21st St Stithians Sports festival. We hope that all teams play hard, but fair and enjoy the beautiful facilities that our school has to offer, including our new astro turf. In closing, enjoy your experience at the St Stithians Sports Festival and we hope to see you again.

Kwena Maphaka (Captain)

Ryan Palmer (Vice-captain)

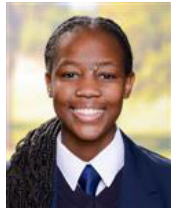

Connor Sneddon (Vice-captain)

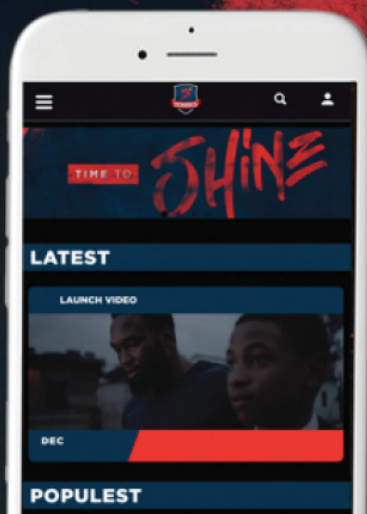

On behalf of the St Stithians Girls' College hockey community, we would like to extend a warm welcome to all the players, coaches, managers, and umpires. The 2024 St Stithians Sport Festival is a highly anticipated event and we are so excited to host 10 schools for hockey, this includes over 170 players, on our campus. We are also excited that this will be the first festival on our newly laid astro turf. The sports festival's objective is to host schools from across the country and provide an environment that allows for good sportsmanship, development, and creating lasting connections. We are looking forward to all the competitors bringing their talents and spirit to create a memorable Easter weekend. Thank you to all the managers, umpires, coaches, medics, staff, and parents who have given up their valuable time to make this weekend a reality. It would not be possible without all of you. And lastly, to all the players, have fun and enjoy the spirit of hockey.

NETBALL

On behalf of the St Stithians Girls' College Netball, we would like to offer you a warm welcome to the 2024 Netball division of the St Stithians Sports Festival. We are extremely excited to welcome 20 schools from across the country to participate in 112 fun-filled competitive matches. There are 220 netball participants this year which makes it the biggest netball festival in the history of the Saints Sports Festival. This festival has always been a highlight of the netball season and we would love for this year's festival to be a special one for all players, coaches, managers, umpires and spectators. We would like to follow in the footsteps of the progress made during the first Netball World Cup hosted on African soil in Cape Town last year. The netball courts will be filled with lots of spirit, energy and sportsmanship. We hope that this festival will be filled with the essence of the sport and of a true netball player. We thank all of the organizers, staff, parents and sponsors for your overwhelming support into helping growing netball at this festival. May this festival show that a true sportswoman is someone with determination, who plays with heart and gives it their absolute all.

St Stithians SportsFest is always a special time of the year, one filled with excitement and anticipation. The festival has showcased so many great talents over the years and it will continue to do so. The Festival is special in so many ways as it builds the spirit and brotherhood in our school. As this year will be the 40th anniversary of the festival, we are more excited than ever to welcome many schools to our campus to display tough competition, camaraderie and ultimately friendship. This special festival will

start friendships that can last a lifetime, as well as display talent. It is an honour to represent the 1st XV this year, and the team of 2024 will leave everything on the field.

40 YEARS OF SPORTSFEST

40 YEARS OF SPORTSFEST

TENNIS

On behalf of the St Stithians Boys' College tennis players and staff, and as the tennis captain for 2024, I welcome you all as players, coaches, managers and supporters to the 11th edition of the Tennis segment of the St Stithians College Sports Festival, as we once again come to celebrate and enjoy the sport that we all love so much.

Tennis is a sport that truly has it all: drama, athleticism, passion. Most importantly - sportsmanship. This event is something that I believe highlights the purpose of school tennis - finding camaraderie in your teammates and even your opposition. These factors are what drive all sports - human connection. My role as tennis captain would be incomplete without my Saints teammates and mentors that I have had over the years. My role would be incomplete without the players that I have connected with at this very festival. I implore you all, as lovers of the game, to connect with each other over what is the beauty of tennis.

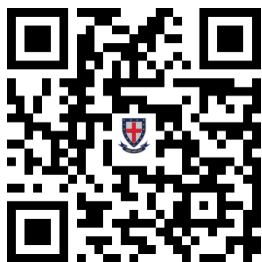

This event, however, would not be possible without the help of the festival committee, who work tirelessly year in and year out to provide a complete experience for the entirety of the College. Our tennis festival committee's dedication speaks volumes to just how much their efforts behind the scenes produce such a spectacle. The members create such a hospitable environment that we are fortunate to play in yearly.

Tennis at the Boys' College, of course, would nowhere be near its level of excellence without Mr. Marius Masencamp, as the head coach of the sport and Mrs. Bernice Parker as MIC. Their help and influence are something that spurs all of us to fight just a bit more for the Saints' cause every time we step on the court, and we could not be here without them.

I wish you all the best over this weekend and simply ask you to embrace both the moments of joy and despair on the court, out of the love we all share for the game of tennis.

"Sportsmanship for me is when a guy walks off the court and you really can't tell whether he won or lost, when he carries himself with pride either way" - Jim Courier

SQUASH

Greetings One and All. I am Gary Chapman, the Boys' College Squash Captain for 2024 SportsFest! It is undoubtedly one of my favourite events all year, just like a child on Christmas Morning. The energy and buzz across the whole school campus, but especially in the squash centre, is something special to experience.

For the 10th year, and with over 15 schools touring and competing from all around the country in both Girls' and Boys' sections, SportsFest has finally arrived, and Saints is ready to host a high level of exciting and inspiring squash.

Without other touring teams and coaches, this festival would not be a reality, so thank you all very much for the effort you have put in to travel and diligent preparation. We are all so grateful for the dedication and commitment of all squash teams and coaches to maintain a high level of squash at the festival. The brilliant example set by players through good sportsmanship and determination, as well as the support displayed and lifelong friendships made sets this festival apart from any other.

We also recognise and appreciate the hard work that festival organisers, operations, sports staff, sponsors and all other support staff have put into the tournament to make it a success. The amount of time and work that is necessary to set up and run an event of this size is immense.

Finally, we are all extremely grateful for the dedication and support of Mike Bester - the Boys' College squash coach. His attention to detail and perseverance to improve not only Saints' squash but also young and upcoming South African squash players is inspiring and helps us continually strive for our very best.

All of the Saints squash players and staff look forward to welcoming you to the 2024 Saints SportsFest. We are excited to host you for an entertaining squash-filled festive weekend.

Gary Chapman
Squash Captain 2024

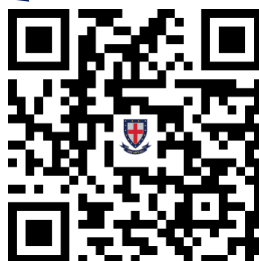

On behalf of St Stithians Girls' College, we welcome you to the 10th year of squash at the Saints Sports Festival! We are thrilled to have you all here as we celebrate sportsmanship, teamwork and healthy competition. This is one of our highlights of our squash year at the Girls' College and hope you all enjoy the festival as much as we do!

WELCOME

Welcome to SportsFest 2024!

Dear Participants, Coaches, and Supporters,

On behalf of the organizing committee from St Stithians Boys' Prep and St Stithians Girls' Prep, it is with great pleasure that we extend a warm welcome to all schools attending Prep SportsFest 2024!

This year promises to be an exciting edition with a diverse lineup of sports, featuring 22 competitive rugby teams, 16 dynamic squash teams, and over 30 tennis teams and 48 netball teams ready to showcase their skills. The enthusiasm and dedication displayed by all participants truly make this event special.

As we embark on this exciting journey, we recognize that SportsFest is not just a competition but an experience that will create lasting memories and stories to be shared for years to come. The competitive spirit will undoubtedly be showcased, but let us also remember the importance of ensuring that enjoyment is at the forefront and that friendships are forged during this festive occasion.

A heartfelt thank you goes out to everyone involved – the players, coaches, volunteers, and sponsors – for

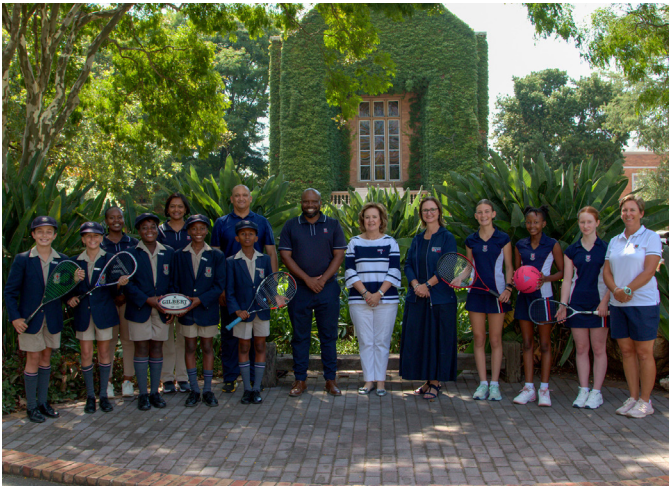

their dedication and hard work in making SportsFest 2024 a success. Your commitment is the driving force behind the success of this event, and we are truly grateful for your contributions.

To all the schools participating, we extend our best wishes and good luck for SportsFest 2024. May this be an experience filled with sportsmanship, camaraderie, and personal achievements. Cherish every moment, give your best, and make the most of this incredible opportunity.

**Let the games begin,
and may SportsFest
2024 be a celebration
of talent, teamwork,
and friendship!**

Craig Taylor and Jan Tanner-Ellis
*Director of Sport (St Stithians Boys' Prep
and St Stithians Girls' Prep)*
