## ST STITHIANS GIRLS' COLLEGE

### Matric Results – Wednesday 31 December 2014

We are delighted to announce that our 2014 Matrics have excelled in the IEB's matriculation examinations. The Independent Examinations Board offers a rigorous assessment of the National Senior Certificate curriculum, preparing our students well for tertiary study. We will be highlighting the achievements of our top performers below. We wish also to stress our pride in each matriculant who has done her best. We thank our teachers, students and parents for pulling together to enable our girls to shine.

Below is a summary of the Girls' College 2014 Matric results:

As we congratulate our matriculants, we are conscious of the deep roots of their educational success, going back to the foundation years of schooling. We express our gratitude to the teachers of the Preparatory and Junior Preparatory schools of St Stithians College, and to the teachers at other schools whose students enrolled at the Boys' and Girls' Colleges.

We wish all our matriculants a fulfilling first year out of school, wherever they find themselves, and we encourage them – One and All – to stay connected with St Stithians as they venture forth into this new stage of their lives.
