Thandulwazi Trust
MATHS AND SCIENCE ACADEMY

St Stithians College is a proudly South African school, embracing diversity and offering a distinctive educational experience. Founded as a Methodist Church School, our Christian spirituality is central to our identity. Our College consists of primary and secondary boys' and girls' schools, together with a co-educational junior primary school. We are an independent, non-profit institution located on an expansive green campus in Sandton, Johannesburg. In addition, St Stithians incorporates Kamoka Bush School near Modimolle, and the Thandulwazi Maths & Science Academy on our Campus. As a College, we are intent on Inspiring Excellence and Making a World of Difference.

The Thandulwazi Maths and Science Academy is a nation-building educational upliftment and intervention programme which supports the South African Government's Basic Education Sector goals to improve the learning and teaching of core subjects (Mathematics, the Sciences, Accounting and English) for Grade 9 to 12 Learners and to provide upskilling workshops and a professional development programme for Teachers in Gauteng Province.

Presenters for the Thandulwazi Maths and Science Academy's 2021 Teacher Development Programme

Applications are invited from qualified and experienced individuals who believe they have the required skills and competencies to take on these exciting positions in the Thandulwazi Teacher Development Programme from 1 February 2021.
