THANDULWAZI MATHS & SCIENCE ACADEMY 2026 Teacher Development Programme – School Leadership Course

The Thandulwazi Maths and Science Academy was created in 2006, a pioneering initiative of St Stithians College to provide educational growth opportunities for students and teachers based in public schools in and around Gauteng. The Academy has evolved around four programmes, a Teacher Intern Programme; a Saturday School from Grades 9 to 12; a Teacher Development Programme; and Thandulwazi Academic Scholarships Programme to attend St Stithians College. Each of these programmes has a significant educational impact, operating in synergy with St Stithians College.

Interested candidates who feel they possess the necessary commitment are invited to apply for the School Leadership Course within the Thandulwazi Teacher Development Programme. The Thandulwazi Trust covers the costs of the course's contact sessions through funds from donations.
