

As we approach the Christmas Season,
this year why not give a gift that will keep on giving?

EDUCATION

the gift of hope

There are so many ways to make a contribution to Thandulwazi this year-end

Donations in the name of clients: For parents who run their own businesses, instead of buying your staff and clients corporate gifts, why not make a donation to Thandulwazi in the name of your client or valued staff member?

A donation to Thandulwazi will be acknowledged with a personalised certificate of thanks.

B-BBEE Scorecard compliant SED (Socio-Economic Development)

Contributions: Did you know that Thandulwazi has a BEE Certificate and qualifies 100 % for B-BBEE SED recognition? For further information on how your company can make an SED Contribution at the end of this financial year, please contact Bev Johnson on Tel: 011 577 6193 or bjohnson@stithian.com

Donations in lieu of gifts for loved ones: This Christmas, avoid the crowded shopping centres and the stress of searching for yet another “perfect” gift! During this season of giving, make a donation that will have a lasting impact. A donation to Thandulwazi, in the name of a loved one, will be acknowledged with a personalised letter of thanks.

“Each one, Sponsor one”: By pledging R150 per month (or R1800 pa) to support a teacher or student, from a disadvantaged community, to attend one of the programmes offered by the Thandulwazi Maths & Science Academy, you will be giving a gift for life and helping to provide young people with the knowledge and skills needed to become active and contributing members of the broader South African community and economy.

Give what you can. All donations to this nation-building project are welcome and will be used to make a world of difference in the lives of someone less fortunate.
