Thandulwazi
MATHS AND SCIENCE ACADEMY

St Stithians College is a proudly South African school, embracing diversity and offering a distinctive educational experience. Founded as a Methodist Church School, our Christian spirituality is central to our identity. Our College consists of primary and secondary boys' and girls' schools, together with a co-educational junior primary school. We are an independent, non-profit institution located on an expansive green campus in Sandton, Johannesburg. In addition, St Stithians incorporates Kamoka Bush School near Modimolle, and the Thandulwazi Maths & Science Academy on our Campus and operating in Limpopo. As a College, we are intent on Inspiring Excellence and Making a World of Difference.

THANDULWAZI MATHS & SCIENCE ACADEMY

The Thandulwazi Maths and Science Academy was established in 2006, a pioneering initiative of St Stithians College to provide educational growth opportunities for students and teachers based in public school. The Academy has evolved around four programmes, a Teacher Intern Programme; a Saturday School from Grades 9 to 12; a Teacher Development Programme; and the Academic Scholarship Programme to attend St Stithians College.

Each of these programmes has made a profound educational impact, working in close synergy with St Stithians College. Collectively, they have transformed the lives of more than 35,000 teachers and students, contributing meaningfully to reshaping the educational landscape in South Africa.

COMMISSION-BASED FUNDRAISER

Applications are invited from ethical, suitably qualified and experienced individuals who believe they have the required skills, competencies and can thrive in a commission-based position starting 01 May 2026.

Qualification and Experience

- A relative degree/certificate (fundraising, business management, stakeholder management or equivalent);
- Administrative management experience, as it applies to fundraising and project management
