BOYS' COLLEGE

St Stithians Boys' College is a leading South African boys' school, which constantly strives for excellence in providing a relevant and rigorous education, and for best practice in the education of boys. Our "seven pillars" support the life of every boy at the Boys' College: academics, sport, culture, community service, leadership, outdoor education and spirituality. Through these pillars, we encourage each boy to realise his maximum potential as a citizen of significance of this school and in our country, in a stimulating and safe environment.
